

Malawi Wells Report

January 2012

Bismillah Ar Rahman Ar Raheem,

We have completed two more wells in Malawi, one in Konsonga, Ntichisi district and another in Malomo, Nkhotakota district. JazakAllahkhayr for your generous donations that have helped us complete this sadaqah jaariyah project.

Malawi

The locations for the two wells in Malawi were chosen due to their lack of available clean drinking water. The well in Konsonga will benefit 150 families and also worshippers at the local Masjid (which can be seen in the background of the third photograph above). The well in Malomo will inshaAllah benefit approximately 100 families.

Sadaqah Jaariyah Projects – Your opportunity

Abu Huraira reported Allah's Messenger (may Allah's blessings and peace be upon him) as saying: "Among the actions and good deeds for which a believer will continue to receive reward after his death are knowledge which he taught and spread, a good son whom he left behind, or a copy of the Qur'an which he left as a legacy, or a mosque he built, or a house which he built for the traveller, or a stream which he caused to flow, or a sadaqa which he gave from his property (wealth) when he was alive and well, for which he will continue to receive reward after his death." (Ibn Majah and Baihaqi)

These two wells in Malawi follow on from the previous two wells we have completed in Malawi, as part of our sadaqah jaariyah project. Also part of this project is the construction of five wells in Bangladesh, two of which have already been completed Alhamdulillah.

Please continue supporting MPR so we can carry on doing more projects like these.
